- ### Information for foreign tourists and Japanese citizens living abroad who wish to purchase products free of consumption tax
- You are eligible for a tax refund if you are a non-resident of Japan, your period of stay in Japan is by short-stay visa for less than six months, and you will take the purchased article out of Japan yourself.
 - When the combined total of general goods and consumables purchased in our store today is 5,000yen or more (excluding tax), you can apply for an exemption from consumer tax. (Application by proxy is not acceptable.)
 - Tax is refunded at the information counter on the first floor. Please show your purchase receipt, passport, and credit card if used for the purchase. (You must use a credit card issued in your name.)
 - When applying for a tax refund for consumables, the article should be properly wrapped/packaged according to the regulations. Please bring the purchased article.
